

Who created the course?

The course was created by Marion Field Fass.

Curriculum Vitae
Marion Field Fass, Sc.D.
Professor of Biology and Chair, Health and Society
Beloit College
Beloit WI 53511 608-363-2784

Education

B.A. Cum laude, University of Pennsylvania, Philadelphia, PA
Major field: Biology, elected Phi Beta Kappa.

Sc.D., Johns Hopkins University School of Hygiene and Public Health,
Baltimore, Maryland.

Current Associations

2004-2006 Chair-Elect and now chair, Division W (Undergraduate Education),
American Society for Microbiology
2000-present Member, American Society for Microbiology
1972-present Member, American Public Health Association

Professional International Travel

2007 Guest, Denmark International Study, Copenhagen, Denmark
2006 Quito, Ecuador, as part of Beloit College Cities in Transition
Program
2006 Moscow, Russia as part of Cities in Transition program
2002 Guest lecturer, African Universities Responding to HIV/AIDS,
sponsored by African Women in Science and Engineering.
Lectured on course development at Sokoine University of
Agriculture, Tanzania, and Jomo Kenyatta University of Science
and Technology, Kenyatta University, Maseno University and
Egerton University, Kenya.

- 2001 Participant, Conference on AIDS Education in African Universities, sponsored by African Women in Science and Engineering and AAAS, Nairobi, Kenya
- 2000 Participant, Global Partners Seminar in Nairobi, Kenya: Communities, Culture and Change in East Africa June 25- July 10, 2000. Funded by the Andrew Mellon Foundation.
- 1999 People to People Ambassadors Program to study AIDS in South Africa.

Fass, Marion Field, Krusko, Nancy and Colette Bina, "Doctors, Patients and Antibiotics: Conflicts, Compromises and Communication Strategies," paper presented at the Forum on Bioethics, American Public Association Annual Meeting, Indianapolis, IN, 11/12/97

Grants written and funded:

- \$297,000 from Teagle Foundation for Missions and Majors: How academic majors serve all college goals, for 3 year project with Beloit College, Knox College, Ripon College, Monmouth College, awarded June 2006, Principal Investigator.
- \$25,000 planning grant from Teagle Foundation for Assessment Consortium with Knox College, Ripon College, Monmouth College and Lake Forest College, June 2005.
- Received \$2400 for travel to Kenya and Tanzania from Mellon Foundation through the Global Partners project, June 2002 for travel in October 2002.
- Co-wrote a grant to Howard Hughes Medical Institute for biology curriculum reform at Beloit College, submitted, October 1999. Funded for \$1,000,000, June 2000.
- Principal author, American Association of Colleges and Universities Health and Higher Education grant to fund interdisciplinary AIDS education at Beloit College. \$5000, 1998.
- Hewitt sub grant from Beloit College to fund Internet course development with an international focus at Beloit College. 1997.
- \$37,895.00 to Rock County Tobacco Free Coalition from State of Wisconsin Cancer Control Grants, received 12/21/95. This funding has been continued through 1998
- Co-wrote a grant to Howard Hughes Medical Institute for biology curriculum reform at Beloit College, funded for \$1,200,000, June 1, 1996.
- \$110,000 from the US Department of Health and Human Services (Contract No. 232-79-0026), Patient Education in Primary Care Practice, awarded to the Department of Family Medicine and Practice, University of Wisconsin, Madison, January, 1979. Marion Field Fass, Sc.D., Principal Investigator. Product published by the Society of Teachers of Family Medicine.

Professional awards

- Rotary Club Teacher of the Month, March 2007, Beloit, WI
- Underkoeffler Teaching Award, Beloit College, May 2006
- "Excellence in Public Health Policy" Award, Wisconsin Association Local Health Departments and Boards of Health, October 2001.
- SENCER (Science Education for Civic Engagements and Responsibility) Recognition, American Association of Colleges and Universities, April 2000, in recognition of Making Women Healthier course (with Nancy Krusko).
- SENCER (Science Education for Civic Engagements and Responsibility) Recognition, American Association of Colleges and Universities, January 2000, in recognition of Biological Issues: Emerging Diseases course.
- Beloit Tribute to Women 1999 Award for Excellence in Education, Beloit, WI, 1999.
- Phee Boon Kang '73 Award for Faculty Innovation in Pedagogy, Beloit College, 1998.
- LifeStyle Program, Beloit Corporation, was awarded the Gold Award for Program Excellence of the Wellness Councils of America (WELCOA), October 1994.
